# What is an Invention?

An invention solves a problem!

**Some famous inventors are:**

Thomas Edison

Morse Code

George Washington Carver

Blue Jeans

Nils Bohlin

Peanut Butter

Johann Gutenberg

Saxophone

The Wright Brothers

Seat Belt

Levi Strauss

Printing Press

Adolphe Sax

Light Bulb

Samuel Morse

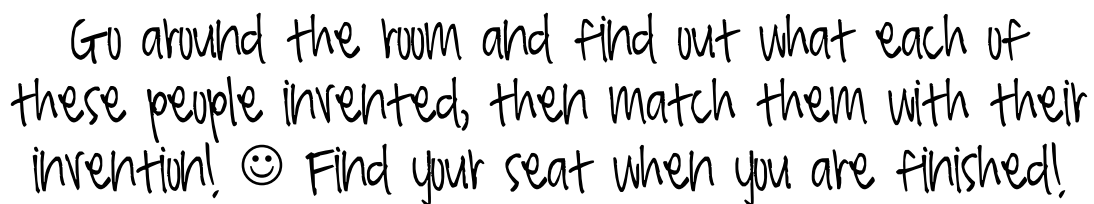

Airplane

Elias Howe

Liquid Paper

Bette Nesmith Graham

Sewing Machine

Go around the room and find out what each of these people invented, then match them with their invention! 😊 Find your seat when you are finished!

# What is an Invention?

An invention solves a problem!

**Some famous inventors are:**

Thomas Edison

Morse Code

George Washington Carver

Blue Jeans

Nils Bohlin

Peanut Butter

Johann Gutenberg

Saxophone

The Wright Brothers

Seat Belt

Levi Struess

Printing Press

Adolphe Sax

Light Bulb

Samuel Morse

Airplane

Elise Howe

Liquid Paper

Bette Nesmith Graham

Sewing Machine

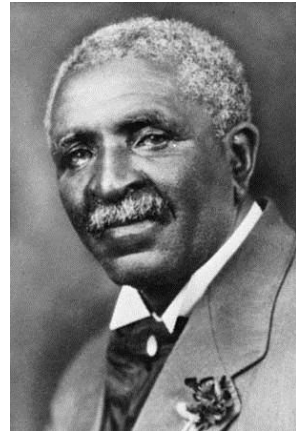

As we talk about each inventor, draw a line to their invention!

## Inventor #1

Thomas Edison invented many different things, one of these was the light bulb.

## Inventor #2

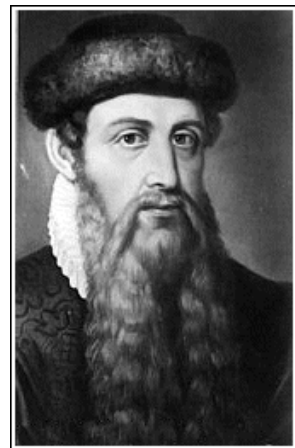

George Washington Carver was a famous African American inventor, who did a lot of work with peanuts. You can thank him for peanut butter!

## Inventor #3

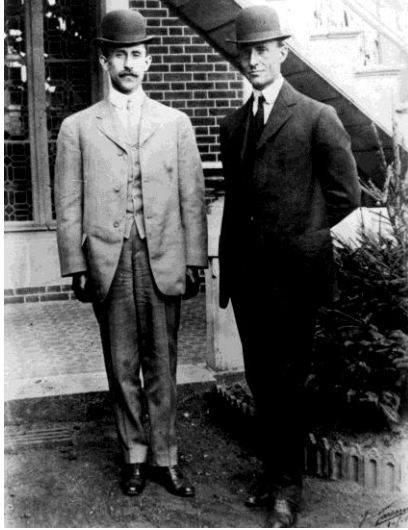

Nils Bohlin was the inventor of seat belts. His invention has saved many lives in the car. Always remember to wear your seat belt!

## Inventor #4

Johann Gutenberg helped us be able to have books in the classroom. He invented the printing press.

## Inventor #5

The Wright Brothers made flying possible, by inventing the first airplane!

## Inventor #6

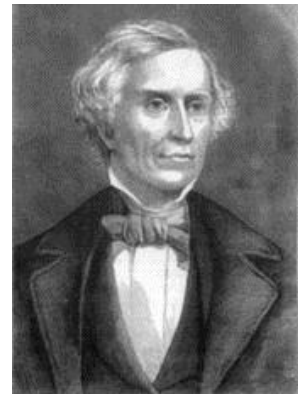

Who loves their blue jeans?  
You can thank Levi Strauss for that invention!

## Inventor #7

Adolphe Sax invented the saxophone, a popular instrument in jazz bands!

## Inventor #8

Samuel Morse invented Morse Code. Morse code allows you to talk to someone through tapping.

## Inventor #9

The sewing machine was invented by Elias Howe.

## Inventor #10

Bette Nesmith Graham invented liquid paper, which is also known as white out.

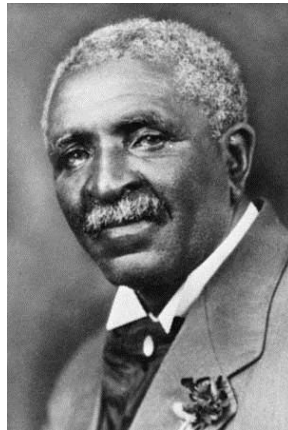

## Inventor #1

Thomas Edison invented many different things, one of these was the light bulb.
